

## SECURITY DEPOSIT DECLARATION

Dear guest,

for your stay at Villa Molli we require a pre-authorization with your credit card as a **security deposit** for the amount of **€ 2.500,00 due upon the date of your arrival**.

The security deposit is a guarantee for the host in case of damage occurring during your stay. In case of **no damage** the security deposit **will be released automatically** after your check-out.

In case of **any damage** the villa manager will provide the client with evidence in form of documents and pictures for the claim for damages. The transaction procedures will be the following:

- If **the claim for damages is higher** than the security deposit, the client will have to pay the integrated amount on site in cash or by credit card. The villa manager may recall the pre-authorization of **€ 2.500,00 plus the residue** calculated on the damage.
- If **the claim for damages is lower** than the security deposit, the villa manager may recall the pre-authorization with the exact amount only calculated on the damage during your stay.

Please do not hesitate to contact us in case of any uncertainties.

Best regards,

Giuliano Molli  
*Manager of Villa Molli*
