## **BE SPOKE**

Facial treatment for all skin types (sensitive, dry, oily or combination) and after skin analysis, the therapist customizes the treatment according to the client's needs.

The cosmetic house used is a zero-mile company and a leader in natural cosmetics. It is distinguished by its philosophy and produces cosmetics using the purest and most certified raw materials.

Ethics, sustainability and the common good are the core principles of this company.

60 minutes €165

## **LUXURY SILK**

A true anti-aging treatment for brighter, more refined skin.

The key ingredient in this treatment is Sericin Integra, a natural silk protein. In fact, its non-occlusive film-forming properties are able to smooth out small roughness in the skin, keeping it elastic, deeply moisturizing and protecting it.

At the end of this pampering experience your skin will be as soft as silk. The local company that produces these extraordinary products owns the only plant in the world capable of extracting--only from premium silk threads--the best Integral Sericin, and this product is made entirely in Italy (Sericina Integra M).

70 minutes €200

## **JAPANESE ELIXIR**

A facial treatment based on natural ingredients that preserves beauty over time, this is the Japanese philosophy that makes sure that every detail of the product triggers a state of well-being that accompanies you in your daily life.

The products used contain four exotic botanicals imported directly from Japan for new, radiant, hydrated and nourished skin: Uji Green Tea, Japanese Matatabi Kiwi, Eijitsu Multiflora Rose and Ume Japanese Apricot.

80 minutes €230
